Hi Gideon,

Sure, no problem.

Since Jasper consultants have taken over the management of the Trucking Wellness website we are now able to reach our exact target audience and the increase the number of visitors on a monthly basis. The service is fast, professional and friendly which is much needed and appreciated in the fast and busy business environment that we work in. A rating out of ten would be a ten.

Hope that helps.

Regards

Michelle

Hi Michelle,

The changes have been made to the website.
